

# Why choose

## for your business?

Conveniently located along Interstate 275, a short distance from the I-275/I-75 Interchange and in close proximity to the Cincinnati/Northern Kentucky International Airport; Crestview Hills has proven to be a smart choice for businesses over the past 30 years. With over 300 businesses located throughout Crestview Hills, it is no wonder that our combination of low taxes, responsive and high quality services, and ideal location attract a number of companies to Crestview Hills.

Since incorporation in the 1950s, Crestview Hills has experienced steady growth. Much business growth has occurred in the Thomas More Office Park, where companies like **Columbia Sussex Corporation**, **Flottman Company**, **Whitehorse Freight**, and **Waltz Business Solutions** have established headquarters in Crestview Hills. Other major employers in the area have also expanded into the Office Park including **Cincinnati Children's Hospital** and **St. Elizabeth Healthcare**.

Moreover, many retail companies sought to locate within the Crestview Hills Town Center. Opened in 2006, this upscale retail lifestyle center continues to be the destination point for diners and shoppers in the Northern Kentucky region. Few cities in the region can boast of such a diverse landscape, including an active business and retail sector, a well-regarded university (**Thomas More University**), recreational amenities, and highly livable neighborhoods.
